### Entry-Level Technician

Company: Aerotek  
Location: Cary, North Carolina  
Category: Engineering Jobs  
Rate: \$10 per Hour  
Job Type: Contract  
Posting ID: 1743735  
Posting Date: 9/8/2008

### Entry-Level Technician Job Description:

Aerotek is working on behalf of an exciting electronics company in Cary, NC to find entry-level electronics technicians to work part-time. The technicians will be working with memory test equipment in a lab setting to set up test equipment, switch out fixtures, perform some system calibration, load software, record errors, and set up logs. The technicians will be given specific instructions and hands-on training but will need to feel comfortable working with electronic test equipment. Interpersonal skills are a must, as technicians will be communicating with global test teams.

### Top Skills Required:

- HS Diploma, AAS in Electronics preferred
- Electronics exposure, experience, or knowledge
- Solid interpersonal and phone skills
- Dependable, able to work independently, responsible

### Additional Skills a Plus:

- Experience with Hardware test tools (oscilloscopes, voltmeters, etc.)
- Basic software programming

This position is a contract position that will last at least 12 months but could be extended.
